

# READY TO LEARN ABOUT A **FUTURE** *in Beauty?*

## Schedule Your Tour Today!

Whatever your specific ideal beauty job is, the first step to get there is through the right education. So, how do you know which school is the best for you? By taking a tour, of course! From receiving answers that are unique to your beauty journey to meeting instructors and current students, there are many ways why a tour can be the perfect way to enter the industry you've always dreamed of!

## What to Bring to Your Tour

At your beauty tour, you want to make sure that you're getting the most out of it. While these things aren't required for you to bring, they can make a world of difference in helping you feel prepared to take the next step!

- **Pen and Paper.** We've all said we don't need to write something down only for us to eventually forget it later. Don't take that chance with your beauty future!
- **Friend or Family Member.** Having a support system is a great way to make sure you don't forget to ask any questions or write important information in your notes.
- **List of Questions.** What better place to ask everything you've been wondering about a beauty career than with a room of professionals who want you to succeed?

## Top Questions You Should Ask

Study what you love with the program that fits best for you! At Salon Schools Group, we have three cosmetology programs:

1. Does your school offer financial aid?
2. What program options are available?
3. What is your school's culture like?
4. What can I do after graduation?
