

2025 The Ohio State School of Cosmetology

Advanced Manicuring (300 Hours)

SENIOR SCHEDULE OPTIONS (Canal Winchester, Heath or Marion)

Upon completion of Junior theory training, students are promoted to a Senior status and begin practicing services on customers on the school clinic.

In order for the school clinic to run efficiently, we must have an appropriate number of students available during business hours. With this in mind, **the specifics of your senior schedule will be determined by your school manager prior to your promotion to senior status.** Special requests will be considered, but cannot be guaranteed. For example, if you are scheduled to have one day off mid week, the school manager will determine your assigned day off, etc.

Please check mark and initial next to your preferred schedule. (Check only one)

During senior training, and for the duration of the school program, students must request scheduled Saturdays off. Prior permission and approval is required from the school manager. During senior training, students are required to attend Wednesday senior class per your senior schedule time block.

Due to the short length of this program, and in order to ensure completion of all necessary senior classes, changes to the original senior schedule will be made on a case by case basis.
